*I create one-of-a-kind fabric wreaths
and ornaments for any occasion!*

I hope you all had a great Thanksgiving! And soon it will be Christmas. I can help relieve a little bit of your holiday-stress (no- I do not install lights or put up trees) by helping you shop from the comfort of your own home. No need to stand in lines and fight the crowds to get your new holiday decorations and gifts.

One stop shopping can be done at www.WreathsByKari.com. I can ship to anyone on your list and even include a gift note for you. While shopping for everyone else, do not forget yourself. Need new garlands for your tree or mantle? Need a new wreath for your front door? Need a special unique ornament or two? How about a jumbo clothespin for a teacher or coach? I even offer sets of traditional size clothespins (perfect for place setting or hanging those Christmas cards from the garlands...)

You cannot pass up this deal... order now thru CYBER MONDAY and get 50% your entire order! Can you imagine? Enter promo code CYBER and automatically receive 50% off EVERYTHING!!!

After Monday, you can still save a bunch with FREE SHIPPING on everything and I'll even toss in 20% off. This offer is limited to act fast. Promo code HOLIDAY

If you prefer to email me your order and pay with a credit card through email, I can do that now as well. You are not required to order and pay through PayPal. Email me and let me know if you prefer this option and I can get you an invoice with the discounts, etc.

Happy Holidays y'all! I look forward to your orders.

As always, if you want something you don't see offered, email me and I will get it done for you!
